

Pi Academy

7+ Mathematics Test Paper - 3

Instructions:

1. Do not open this booklet until you are told to do so.
2. You will have 45 minutes to do the test.
3. You may work the questions out in your head, or by writing on the white area around the question.
4. Write the answer on the question paper itself in the space provided for the answer. Each blank carries 1 mark.
5. If you have written the wrong answer, erase it or cross it out and write the new one. Make sure that your final answer is clear. You will not lose marks for crossing out.
6. No Marks are lost for an incorrect answer.

Symbols used:

Go to the next page.

Do not turn the page until told to do so.

Stop working and await instructions.
